

From Big Pharma to small startups, from traditional to direct channels, we offer a full range of standard and customized services.

COMPLIANT

Our cGMP compliant facilities allow our Pharma, Med Device, and Bio Tech Clients to distribute frozen, refrigerated and controlled ambient products while outsourcing as much or as little of the process as they desire.

FLEXIBLE

Serving both Government and Private Sector clients, LifeScience Logistics is committed to offering the highest quality, flexibility, and compliance in Healthcare supply chain solutions.

COST-EFFECTIVE

Our can-do attitude, and efficient operations, set us apart from our competition. We pride ourselves on our ability to bring the best technology, quality, and intellectual capital to our clients.

WAREHOUSING

LifeScience Logistics distributes out of 2 locations which have more than 440,000 square feet of cGMP compliant and FDA registered space. Our DFW Airport, Texas location has foreign trade zone status, and as such offers significant tax benefits to our clients with overseas operations. Our Louisville, Kentucky facility is strategically located in close proximity to UPS' all points Worldport Hub: *Allowing for late cutoff times with next day services in North America.* Both of our facilities offer storage and distribution of frozen, refrigerated and controlled ambient products.

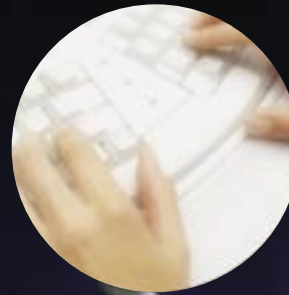

- Frozen (-35c)
- Refrigerated (2c-8c)
- Ambient (20c-25c)
- Kitting
- Cross Dock
- Pallet / Case / Each picking
- RF (-35c)

DISTRIBUTION

LifeScience Logistics offers a complete Order to Cash solution. Any number of the following services may be combined with our cGMP compliant distribution capabilities to allow our clients the greatest control over their business with the greatest flexibility.

- Call center services
- Web order entry
- Pricing campaigns
- Chargebacks
- Invoicing
- Accounts Receivable

TRANSPORTATION

LifeScience Logistics offers a full range of multimodal transportation services. Our carrier neutral solutions allow our larger customers to leverage their already existing transportation agreements while our smaller customers benefit from LSL's negotiated rates. With distribution centers in Louisville, KY and DFW Airport, Texas we're able to offer a range of small package and traditional air freight solutions. Our fully integrated TMS allows our clients to rate shop and ensures the greatest transportation savings across carriers and modes.

Our location allows for extra late cutoff times for UPS Worldport and Next Day Air service globally.
