

Quality Policy

LifeScience Logistics is committed to exceeding quality and compliance needs of our clients and their customers to protect and improve the healthcare supply chain.

OUR COMMITMENT TO THE QUALITY POLICY IS A COMMITMENT TO:

Our Clients

We partner with clients to dependably support their specific needs and requirements as their business grows.

Our Company

We ensure that the Quality Policy is appropriate to the strategic direction of LSL as well as communicated and understood at all levels in the organization.

Regulatory Authorities

We are committed to complying with the requirements and to maintaining the effectiveness of the Quality Management System (QMS).

Our Future

We provide a framework for establishing and reviewing Quality Objectives and regularly review for continual improvements of the QMS.
